The vehicles depicted in this catalogue feature, to varying extents, additional accessories and/or extra specifications. These, and any decorative elements shown, are not included in the delivery specifications of the products described.

Volkswagen Genuine front spoiler

(pictured above)

Strong lines: the sporty front spoiler accentuates the muscular nose of the Touran and reduces the lift on the front axle. Made from resilient, high-quality plastic.

Item no. 1T0 071 609 A GRU

Volkswagen Genuine lowered suspension

(not pictured)

Great looks, improved handling. The four springs lower the clearance by approximately 30 mm, thereby lowering the car's centre of gravity. You will find a list of all the available models in the enclosed price list.

Volkswagen Genuine side sill set

(pictured above)

Gives the vehicle flowing side lines and a lowered look. The perfect complement to the front and rear spoilers. No drilling is required to fit to the vehicle.

Item no. 1T0 071 685 K 9AX

Volkswagen Genuine rear spoiler

(pictured right)

Rounds off the Touran's striking appearance: rear spoiler made from high-quality, flexible plastic (PUR-RIM).

Item no. 1T0 071 610 A GRU

Volkswagen Genuine rear trim in chrome look

(pictured right)

This attractive rear trim with its high-gloss chrome look gets heads turning. No drilling required to fit to vehicle.

Item no. 1T0 071 360

The perfect space for the family. Or the perfect athlete.

Does your Touran have all the right extras yet? If not, why not get it in shape and add some touches of your own with Volkswagen Genuine Accessories? They give you the ideal balance between dynamics, image and functionality – and your Touran will always look ready to perform.

Volkswagen Genuine roof spoiler

Subtle but effective. Gives better grip and rounds off the rear end of the Touran perfectly. Made from polyurethane hard integral foam, making it particularly impact-resistant and tough.

Item no. 1T0 071 640 K 9AX

Volkswagen Genuine luggage net

(pictured right)

Ensures that everything stays in its place and that light items do not slide around. This tear-resistant net has hooks that are easy to attach to the securing eyes fitted as standard to the floor of the luggage space.

Item no. 1T0 065 110 **For 5-seater**
Item no. 1T0 065 111 **For 5-seater with variable load floor and for 7-seater**

Volkswagen Genuine dividing grille

The dividing grille separates the luggage space from the passenger compartment between the top of the seat back and the ceiling. The strong, black, powder-coated steel grating is easy and conveniently secured to the lashing eyes fitted behind the rear seat bench using threaded hooks and handy knurled nuts. New holes do not have to be drilled, which means the dividing grille can be removed at any time without leaving any marks. The function of the airbags is in no way impaired. The luggage space cover can still be used with the dividing grille in place.

Item no. 1T5 017 221

For vehicles without a raised/variable load floor (for 5-seater only)

Item no. 1T7 017 221

For vehicles with a raised/variable load floor (for 5 and 7-seater)

Volkswagen Genuine basic rack

The basis for all add-ons – ski and snowboard holders, bicycle holders or our useful luggage box. Developed exclusively for your Touran, the basic rack merges harmoniously into the car's overall look. Made from aerodynamic aluminium sections with plastic cover caps. Mechanical parts made from galvanised, layered sheet steel. With an anti-theft locking device. Net weight: approx. 5.5 kg. City-Crash tested. For vehicles without roof rails.

Item no. 1T0 071 126 A

Volkswagen Genuine

"komfort" ski and snowboard holder

(pictured with roof rack bars)

Boards mean fun. And with this holder you can safely and easily carry up to six pairs of skis or four snowboards. Its practical pull-out function makes it easy to load and unload. Lockable. Made from anodised aluminium sections.

Item no. 1T0 071 129

Volkswagen Genuine **skisack**

(not pictured)

The useful skisack provides transport for up to four pairs of skis including ski poles, and protects the skis against damage by other items of luggage in the vehicle or in the roof box. The integrated belt can be slotted into the seatbelt socket in the passenger compartment. A full-length zip and comfy handles make the bag a pleasure to use. Length: approx. 200 cm, for skis up to 190 cm long. Colour: black.

Item no. 00V 061 202

Volkswagen Genuine **storage bag**

(not pictured)

When you no longer require the skisack, you can stow it tidily in this storage bag.

Item no. 00V 061 201

Volkswagen Genuine ski and luggage box

(pictured with roof rack bars)

Extra luggage can be stored in this beautifully shaped, sturdy roof box made from high-quality plastic. With its modern, aerodynamic design and stainless steel look it offers you many useful features. Its quick-release closure makes it quick and easy to fit to your roof rack system. The box can be opened from either side if required, and its extra-wide opening angle makes loading and unloading easier. Exterior dimensions: 190 x 90 x 38 cm, weight: approx. 25 kg, capacity: 450 l. Maximum permissible roof load: 100 kg. For up to six pairs of skis or four snowboards (length: max. 180 cm). City-Crash tested.

Item no. 000 071 175

Ski and luggage box

Item no. 000 071 275

Extension kit for transporting skis and snowboards in the ski and luggage box

Children should travel as safely and comfortably as possible, for which Volkswagen Genuine Accessories provide the best conditions possible. Our tests go way beyond the statutory safety requirements – the side crash test, for instance, confirms the high quality of the child seat systems. Perfect workmanship, easy handling, removable covers that can be washed at 30 °C – all of this comes as standard.

Volkswagen Genuine
Bobsy G1 ISOFIX DUO plus

ISOFIX seats offer high-level protection: the special ISOFIX attachment standard connects the child seat securely to the bodywork. The G1 ISOFIX DUO has height-adjustable harness straps and the seat shell can be secured in three positions. Includes folding-in snap-clips for use in vehicles without the ISOFIX system. Suitable for children between approx. 9 and 18 kg (8 months to approx. 4 years).

Item no. 00V 019 909 B

Volkswagen Genuine
Bobsy G1 ISOFIX Top Tether

(not pictured)

The Bobsy G1 ISOFIX Top Tether has all of the practical features that the Bobsy G1 ISOFIX DUO plus has, but it is also secured to the Top Tether fittings in the boot using the Top Tether connection, giving it additional stability. The seat can be used in any car with Top Tether fixing points. For children between 9 and 18 kg (8 months to approx. 4 years).

Item no. 00V 019 909 C

Volkswagen Genuine rubber footmats

If things are going to get wet, then the rubber footmat set is recommended. They collect dirt and moisture, which can then be easily removed by washing. Designed as a perfect fit and secured against sliding around the footwell by an attachment system. Made from low-emission, neutral-odour material.

Item no. 1T1 061 501 A FKZ* For front

Item no. 1T0 061 511 FKZ* For the second row of seats

Volkswagen Genuine premium textile footmats

These fabric footmats are perfectly shaped to fit in the footwell of your Touran, and made from tough, tightly woven velour with white Touran lettering. Their wear-resistant back coating and the specially designed attachment points on the floor keep them fixed to the vehicle and prevent them from sliding around. Colour: anthracite.

Item no. 1T1 061 270 PB RYJ For front and rear

Volkswagen Genuine cruise control

(not pictured)

Electronic instrument for controlling the speed of travel. It relieves the driver, particularly when adhering to speed limits, towing and driving long distances. The system stores and maintains the speed chosen by the driver. The reset function automatically accelerates the vehicle to the previously chosen speed after braking and/or changing gear.

Item no. 1K0 054 690 For vehicles with multifunction display

Item no. 1K0 054 690 A For vehicles without multifunction display

Feels like a Grant Hotel. Or like 365 days at home.

You simply feel at home in a Touran. And to keep it that way, we have developed Volkswagen Genuine Accessories for you. They will help you to protect all those things that have a place in your life against damage and dirt. And they make for more tidiness and a real feeling of wellbeing. Altogether a great thing to have.

Volkswagen Genuine parking heater

(not pictured)

More comfort in the winter months. Defrosts the windows, makes the car nice and warm when you get in, and pre-heats the engine – which helps to protect it. Consists of a heating unit, installation kit, fuel kit and timer. You will find a list of all the versions in the enclosed price list.

Volkswagen Genuine clothes hanger

Keeps your clothing clean and free of creases while you drive. Simply attach the clothes hanger to the headrest. Arrive without a crease in your jacket!

Item no. 00V 061 127

Volkswagen Genuine seat covers

These seat covers made from a durable, breathable synthetic blend protect the seats of your Touran against heavy use. Your safety, however, is not compromised: crash tests have confirmed that the airbags remain fully functional. The fabric design and colours match the vehicle's standard interior colour schemes. The covers retain their colour and shape even when washed several times. You will find a list of all the models in the enclosed price list.

Volkswagen Genuine luggage space liner

Light, flexible, and precisely tailored to the contours of your Touran. Ingenious and highly practical details: with 5-cm-high edges to protect against liquids, and an integrated anti-slip diamond texture. Can be rolled up and tucked away in storage when not in use. For the 5-seater only.

Item no. 1T5 061 160

Volkswagen Genuine hot and cold box

Whether for picnics or shopping, this box holds 25 litres, so you will be well kitted out for long stretches. 33 Watts of power keeps the temperature just right – whether hot or cold. A special attachment system secures the box firmly to the vehicle in place of the middle seat in the second row.

Item no. 1T0 065 400 FKZ*

*For colour code (FKZ) see price list.

Volkswagen Genuine reversible boot mat

One side of this precision-fitting reversible mat is velour, the other is a non-slip, easy-care plastic covered in tiny bumps. A useful helper whenever you have to transport dirty or wet objects.

- Item no. 1T5 061 210 87A For 5-seater
- Item no. 1T7 061 210 87A For 7-seater

Volkswagen Genuine parking distance control

(pictured below)

Parking distance control can be retrofitted and makes parking easier using acoustic signals. The distance is measured by four ultrasound sensors embedded inconspicuously into the bumper. Includes an intelligent set-up function, which prevents objects such as the tow bar from being wrongly recognised as obstacles.

Item no. 1K0 054 630 B

Volkswagen Genuine mudflaps

These precision-fit mudflaps are extremely tough and long-lasting. They protect the underbody, bumper and back of your Touran against heavy dirt, and they also reduce dangerous stone-throw and minimise spray. Available for front and rear wheel arches.

- Item no. 1T0 075 111 Front
- Item no. 1T0 075 101 Rear

Volkswagen Genuine loading lip protective film

(pictured below)

Precision-fit loading lip guard made from transparent film. Easy to stick onto the rear bumper. Prevents damage when loading and unloading.

Volkswagen Genuine care and cleaning agents

The Volkswagen series of care and cleaning agents is suited to all areas of the car, inside and out. You will find more detailed information in the enclosed price list, or ask your authorised Volkswagen agent about the complete range.

Volkswagen Genuine first-aid pouch

Hopefully you will never need it, and yet this first-aid pouch is an essential companion for the road. Complies with the German legal regulations § 35h StVZO and DIN 13164.

Item no. 000 093 114

Volkswagen Genuine warning triangle

Its design makes this warning triangle very small when folded up so that it takes up very little space. Complies with ECE (Economic Commission for Europe) regulation 27. With pivoting metal feet.

Item no. 1Y0 093 055

Four-wheeled guardian angel. Or safe driving 24/7.

Life is full of surprises. You can do something about them by giving yourself Volkswagen Genuine Accessories, for that extra element of safety. Then if something does happen, you won't be leaving everything to chance.

Volkswagen Genuine warning waistcoat

This lightweight safety waistcoat in fluorescent orange with reflective signal stripes is made from 100% polyester and is approved under DIN EN 471. In Germany, drivers must carry a warning waistcoat in work vehicles (except if they are self-employed), and it is already obligatory for every occupant in some other countries.

Item no. 000 093 062 C

Volkswagen Genuine tow rope

TÜV and DIN tested tow rope compliant with DIN 76033. For permissible total weights of between 1,450 and 2,500 kg.

Item no. 000 093 014

Volkswagen Genuine cabin bag

This cabin bag is made from resilient, dirt-repellent polyester and offers a host of possibilities. The big main compartment with its packing straps has two zipped pockets inside. The large front pocket with an all-round covered zip has a useful organiser compartment, and the flexible front lacing allows you to attach jackets and blankets to the outside. Smooth-running ball-bearing wheels, two feet, and reinforcements around all corners complete this ingenious cabin bag. Cabin luggage dimensions: 35 x 50 x 20 cm.

Item no. 1T0 084 001

Volkswagen Genuine rucksack

This rucksack is made from resilient, dirt-repellent polyester and will accompany you on any journey you make. Its ergonomically padded back makes it comfortable to carry. A zipped front pocket with organiser compartment and useful side pockets for drinks make finding the things you are carrying as easy as could be. With flexible front lacing and extra belt straps, objects such as bicycle helmets and raincoats are quick and easy to attach. The rucksack is designed to fit exactly onto the telescopic handle of the cabin bag. Dimensions: 29 x 42 x 18 cm.

Item no. 1T0 084 000
