Volkswagen Genuine

Complete winter wheel Sima

Bright prospects: Even in winter no one has to do without the attractive look of light alloy wheels with the 16" complete winter wheel "Sima". The combination of high-quality and visually eye-catching genuine accessory light alloy rims and 205/55 R16 94H XL Bridgestone Blizzak LM 35 premium winter tyres stands for dynamic driving with maximum safety and an amazing look. The wheel is supplied fully assembled and balanced. Only environmentally friendly, lead-free, zinc balance weights are used.

Colour: Brilliant silver
Rim size: 6 J x 16
Bolt hole circle [mm]/No of holes: 112/5
Wheel offset [mm]: 50
Tyre manufacturer: Bridgestone
Tyre type: winter - without running direction stipulation
Tyre size: 205/55 R16 94H XL
Tyre name: Blizzak LM35
Max. permissible axle load [kg]: 1300
Can also be used with snow chains 000 091 387 F
The requirements of the current ABE (German type approval) or of current expertise are to be observed
Complete wheel fitted and balanced
Use existing series wheel bolts

Art. no. 1T4 073 266 8Z8
Available from: Week 34/2010

Comfort & Protection

Volkswagen Genuine

luggage compartment protection tray

The practical and extremely robust Volkswagen Genuine luggage compartment protection tray with Touran lettering protects the boot against dirt and prevents the loads being transported against slipping. The plastic tray fits perfectly and can be washed, is anti-slip and acid resistant. The surrounding raised rim prevents liquids running out onto the vehicle floor.

Colour: Black
For vehicles with Basis loading surface
Vehicle: 5 seater

Art. no. 5T0 061 162
Available from: Week 32/2010

Volkswagen Genuine

Luggage compartment loadliner

Practical and robust: The Volkswagen genuine luggage compartment loadliner for the Touran is precisely dimensioned and protects against dirt and escaping liquids thanks to its raised edge. The luggage compartment loadliner is acid-resistant, washable and non-slip. A particular highlight is the integrated lettering.

Type: complete cargo surface
For vehicles with Basis loading surface
Vehicle: 5 seater

Art. no. 5T0 061 161
Available from: Week 32/2010

Type: behind the third row of seats
Vehicle: 7 seater

Art. no. 5T0 061 161 A
Available from: Week 32/2010

Comfort & Protection

Volkswagen Genuine

Sunblind (set)

Easy to handle, perfectly-fitting shape: With the Volkswagen Genuine sunblind for the luggage compartment side windows and rear window, you protect your vehicle interior against sun rays shining in directly, without influencing your view or road safety. The sunblind is simple to fit and remove when it is not required.

Colour: Black
Shape: adapted to the window
Fitting location:
• Luggage compartment
• Rear and side windows
Scope of delivery: 1 set = 3 pieces

Art. no. 1T0 064 365 B
Available from: Week 32/2010

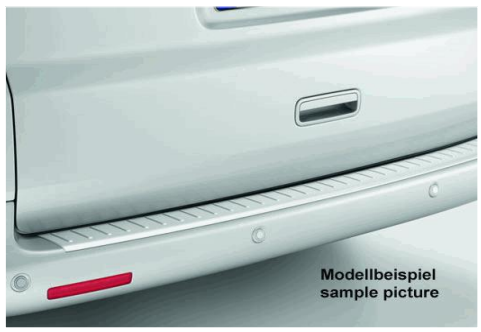
Volkswagen Genuine

Loading sill guard

Perfect protection with elegant look - the precisely dimensioned loading sill guard made from high quality plastic in stainless steel optic does not only protect the bumper against scratches when loading and unloading the luggage compartment, but also improves the car's appearance. Practical: It can be stuck on quickly and easily.

Material: Plastic
Fitting instructions: For gluing to the bumper
Design: Stainless steel (optic)

Art. no. 5T0 061 195
Available from: Week 32/2010



Comfort & Protection

Volkswagen Genuine

Paint protection film for the loading sill

Perfectly fitting transparent loading sill protection film, reliably protects the bumper against scratching during loading and unloading. Sticks on easily and quickly.

Colour: transparent
Fitting instructions: For gluing to the bumper

Art. no. 5T0 061 197
Available from: Week 32/2010

Volkswagen Genuine

Sill rail, stainless steel optic

An eye-catcher when you get in: The high quality stainless steel sill rails with Touran lettering protect the entry area and customise the appearance of the Touran.

Material: Stainless steel
Scope of delivery: 1 set = 4 pieces

Art. no. 1T0 071 303
Available from: Week 36/2010

Volkswagen Genuine

Protective film for the sill rail

The transparent film protects your vehicle's entry area against scratches. The precisely-cut sill rail protection film simply sticks in place. Each set comprises four film pieces for the front and rear door sills.

Scope of delivery: 1 set = 4 pieces

Colour: transparent
